GOV'T WATCH
Serving and Protecting the Filipino Consumer

RAUL T. CONCEPCION [illegible]

GOV'T WATCH APPEALS TO THE PUBLIC TO SUPPORT THE GOVERNMENT, PARTICULARLY IN PROPER TAX REMITTANCE

Government is starting to change for the better.

This is a clear manifestation of **PNoy's success** in fulfilling one of his main campaign promises **TO BRING BACK THE PEOPLE'S TRUST IN GOVERNMENT.**

As we turn our attention to **PNoy's other campaign promises, foremost of which is the battle against poverty, GOV'T WATCH believes that the government cannot be successful without the cooperation of the general public.**

IT IS TIME FOR THE PUBLIC TO CHANGE ITS MINDSET AND FREELY INVEST ITS TRUST AND CONFIDENCE.

More importantly, they must realize that the days of mistakenly using these sentiments **to justify resistance, disobedience, and non-compliance with government policies, laws, and regulations are over.**

For there to be lasting and meaningful progress, **the Filipinos must do its part and show its support and cooperation by actively participating in governance, strictly obeying laws, and especially by paying correct taxes.**

Much of these taxes are lost to the "UNDERGROUND ECONOMY", particularly in DIVISORIA, BACLARAN, and GREENHILLS: all considered to be a shopper's paradise.

GOV'T WATCH encourages the general public, especially the MIDDLE CLASS to:

1. **Always ask for an OFFICIAL RECEIPT.**
2. **Official receipts must reflect the business establishment's TIN (Tax Identification Number).**
3. **Be vigilant and report to the BIR business establishments that refuse to issue official receipts.**

It is our taxes that fund the government's much - needed social development programs that aim to fight poverty.

GOV'T WATCH firmly believes that only **in working together** can **the public and the government** achieve our mutual goal of **building a strong nation.**

RAUL T. CONCEPCION
Chairman
